## ABOUT US

An active and vibrant alumni forum is an asset for any Institute as well as for the Alumni fraternity and the students. As for our AlmaMater the Alumni body was 'RECCAA' - a forum confined to the institute without much connect with the Alumni fraternity and not able to contribute to the Alma mater, the way it was supposed to. Over time institutions transform and our alma mater also transformed from 'REC' to 'NIT' while the alumni forum remained as 'RECCAA' disconnected from the regional chapters. At the same time there existed another forum 'World NITCAA Council' which was supposed to be the apex body of the alumni regional chapters, again just a concept formed by the regional chapters to organise the World NITCAA Meet once every two years. The issue was that RECCAA had the legal standing but with practically no connect with the regional Chapters and the World NITCAA Council, which did not have any legal structure but was well connected with the regional chapters.

## ACHIEVEMENTS

### National Winner – The Top Recruit by DCB Bank

DMS, IIT Delhi is delighted to announce that Surya Meghana P S has emerged as the National Winner of DCB Bank TTR Season 8, a flagship B-school case competition by DCB Bank.

#### About the competition

The Top Recruit is a campus program that has won DCB Bank many accolades. The competition saw a participation of 8000 students from 200 B-schools across India. It is a unique initiative where the

### Team Minimalists

DMS, IIT Delhi is delighted to announce that the Team Minimalists comprising Arnav Tripathi, MG Dheeshan, Ria, and Sneha Banerjee has emerged as the National finalists of the Dr. Reddy's Digital Health Hackathon 2022.

#### About the competition

A unique industry-academia collaboration, Dr. Reddy's Digital Health Hackathon invited teams from campuses to work with them

### Team Firefly

Aadarsh Nain and Alpina Singh of Team Firefly stood as National Winner in The Sustainable Circular Challenge – "Generation Who stands with Sustainability", held in 2021. Their winning idea – The dea is poised to transform the social experience of drinking through mobile engagement, to offer an on-trade platform for a seamless consumption experience, and to distill insights from data sets to fuel further growth.

#### About the competition

The Sustainable Circular Challenge "Generation Who Stands with sustainability" aims to identify and to develop waste management systems/processes that are truly circular and sustainable, where aluminum beverage packaging waste is infinitely recycled thereby reducing the load on natural sources.

### Team Engima

Moksh, Akash Gupta, Vikas Bahuguna, and Yaashu Vaishay of Team Engima stood as National Winners in Stand Up With Sirona Challenge, held in 2021.

Their winning idea – An extensive market research was conducted to understand the customer mindset and pain-points post which various recommendations were provided.

#### About the competition

Stand Up With Sirona Challenge was organized by Sirona Hygiene

### Team We are 100% sure

Krittibas Majumdar, Shubhi Agarwal, and Erupudi Venkata Bhawani of Team We are 100% sure stood as National Finalist of RB Global Challenge, held in 2020.

Their winning idea – to combat airborne contamination of virus and bacteria.

#### About the competition

RB Global Challenge is one of the best corporate competitions but what makes it more special is the purpose that it solves. RB has
